

FIRST EDITION

FIRST EDITION

CLARITY TOURBILLON &
INVISIBLE ROTOR (AUTOMATIC)

GEOMETRICAL ELEGANCE

DISTINCTIVE CASE DESIGN

DUKE FIRST EDITION is the brand inaugural watch, a Limited Edition of 8 timepieces.

The watch exhibits proudly a strong identity that lays the foundations of an emerging brand.

The DUKE timepieces first catches the eye with its instantly

**RECOGNIZABLE CHARACTER,
WITH HARDLY ANY CURVES.**

TECHNICAL MARVEL

REVOLUTIONARY MOVEMENT

The Caliber 9600 signifies DUKE's debut movement, introducing the Clarity Tourbillon and the Invisible Rotor, revolutionizing automatic watches.

With both complications DUKE achieved to create a strong distinctive watch movement limited to only 8 examples. All DUKE timepieces are entirely decorated by hand.

**THE TIMEPIECE CAPTURES THE
IMAGINATION AND DRAGS YOU
INTO THE INNER WORKINGS.**

ELEGANCE IN SIMPLICITY

EXQUISITE DIAL CRAFTSMANSHIP

The dial testifies sobriety and attention to detail. Made of sapphire, it is microblasted then hand painted to make it opaque and avoid mirror effect.

The DUKE signature appliques at their center are in 18k White Gold, each letter delicately placed one after the other by hand.

INTRICATE DETAILING

ARTISANAL HANDS AND CHAPTER RING

The complex hands, openworked,
and the chapter ring, featuring a
discreet minute track, are both in

MIRROR POLISHED
18K WHITE GOLD.

All DUKE timepieces are entirely decorated by hand. This dedication to handcrafting ensures that each watch meets the highest standards of quality and artistry, making the DUKE FIRST EDITION a true masterpiece in the world of horology.
